SPIKES SUMMER GARDEN THE NIGHT BEFORE THE WEDDING VALE DO LOBO

Start the *wedding* at sunset.

One clear offer for your couples: a sunset welcome cocktail the night before the wedding, in a private garden in Vale do Lobo.

Guests arrive in daylight, drink at an award-winning bar and toast the couple as the sun sets over the Algarve coast. Those who want to can stay for dinner.

You bring the couple. We run the bar, the food and the timing, and keep you informed at every step.

Hotspot Recommended

The sun goes down *over the coast.*

Pines, the sea and the Algarve shoreline
turning gold while the first glass is poured.
This is the picture your couples will keep, and
the one their guests will post.
No decoration needed.

Private, or semi-private.

Stone pines, lawn, a pond and lounge corners. A small group takes a reserved corner; a large one takes the whole garden. Either way, it feels like their own place.

150 Seated on the lawn, at long tables

600 Standing, across the full garden
